

Tour Pricing Factors

Updated 5/19/08

The following is a list of the various elements that comprise tour pricing, along with factors that impact each of the elements. Tours may be customized to better fit a group's preferences and budget. Therefore, many of these elements/factors may be changed to affect tour pricing.

Group Size (number of paying participants)

Tour Duration (length of tour)

Flight Accommodations (destination(s), indirect/direct flight, airline, dates of travel, departure/return days of week, open legs)

Lodging Accommodations (school room, hostel, dormitory, 1-star, 2-star, 3-star, 4-star, room occupancy type, location of lodging)

Meals (breakfast, lunch, dinner, quality, fixed/non-fixed menu, beverages)

Ground Transportation (transfers only, full-time bus, public transportation, distance traveled, open legs)

Formal Guided Tours/Outings (number of tours, length of tours, entrance fees)

Training Sessions & Matches (number of sessions/matches, location of sessions/matches, quality of pitches, friendly/tournament matches, guest trainers, water service)

Professional Matches (number of matches, location of matches, ticket price)

Free Places (number of free places needed)

Included Items (included/non-included items, meals, tours, tickets, etc.)
